Lay It Down

What are you holding on to?
What burden do you bear?
Whose yoke are you carrying?
What holding you down?

Do you worry about tomorrow?
Give a thought for your life?
What you'll eat, drink, or wear?
Or fulfilling your dreams?

Lay it on down Lay it on down
Lay it on down Give it to Jesus

Lay it on down Lay it on down
For His yoke is easy And His burden is light

Lay it down
Lay it down

Life does not exist, in the abundance of your stuff
Don't worry about tomorrow
Seek first His kingdom and be sure all these things
Will be added unto you

Praise be to God our Savior
Who daily bears our burdens
Its for freedom that Christ set us free
Stand, Don't let yourself be bound
