

I Find You There

©2004 Angel Records and Publishing

I start my prayers, I'm all alone
Or so it seems to me
But then I find, that You are there
You're on your knees right next to me

You know my cares, my deep desires
The pages of my heart
Where I might fail, You make me strong
Help me go on, your way

Father in heaven how I love you
Hallowed be thy name
Your kingdom come and
Your will be done
In my life, today

As I go on, deep in my prayers
I know You care for me
You reach my heart, You pray my prayers
And help me to believe
