In the beginning.... God
God created the heavens and the earth
And the earth was without form and void
And darkness was upon the face of the deep
And the Spirit of God hovered over the waters

And God said
Let there be light and expanse between the waters
And plants and stars and creatures in the sea
And birds and livestock and all kinds of life
Let us make man in our image \ → 2x
Let us make man like us /

Gravitation, Don't be mistaken
We didn't get here by chance
Gravitation, Don't be mistaken
Don't let the devil make a monkey out of you

And God formed man out of the dust of the earth
And breathed into his nostrils the breath of life
And man became a living soul
And while asleep He took from him a rib
And made woman to be beside him

Then God gave man
Rule upon the earth, over the fish in the sea
And the birds of the air
And every creature that moves upon the earth
