

# **Sitting In Your Presence**

Copyright 2014 Angel Records and Publishing

What can I do?  
But to do your will  
Where can I go?  
But to sit at your feet

Sitting the presence of your love  
Sitting the presence of your grace  
Sitting the presence of your love  
Sitting the presence of your grace

If I could climb  
The highest mountain  
What have I done?  
If I did without you  
And if I could cross  
The sea alone  
Everything is loss  
Without you

There is a love  
From upon high  
Dwelling with you  
God above

Sitting in your presence  
God on High
