

Cleave

©1998 Angel Records and Publishing

Entreat me not to leave you
I won't turn back
I'm following after you
Where you go, I'll go

Cleave, I am determined
No looking back, No returning
Cleave, I am determined
No looking back, No returning
I'll follow, I'll follow

When testing comes
I won't be swayed
Though there be trials
I'll walk your way

When times get rough
What will you do?
Will you turn back?
I will stay true
