

Forever In Your Arms

©1998 Angel Records and Publishing

I look in to your eyes, I find
I find peace of mind, In You
A servant's heart I see
Pouring love on me

Jesus look into my eyes
What is it you see inside
Make me a servant, That You see
Put Your heart in me, Hold me....

(Take me) Forever in your arms
Forever in your care
Knowing that nowhere
You aren't there
Forever, In your arms
Forever, In your care
Knowing, That nowhere
You aren't there

To serve and meet your every need
I need to walk completely free
With no burdens, Holding me
Only trusting, You in me, Hold me...
