©1998 Angel Records and Publishing

Yesterday on the radio, I heard the announcer say  
This semi-18 wheeler headin' cross the USA  
All I want to be is sold out  
Sold out for the Lord  
Not semi just sold out  
Sold out for the Lord

I'm sold out for Jesus, Sold out for the Lord  
Not semi but sold out, Sold out for the Lord  
My bags are packed I'll follow  
Wherever He may lead  
I'm sold out for Jesus  
Sold out for the Lord

Give me my cross, no maybe  
I'll think about it later  
But its now or never, if Jesus is my Savior  
He said take your cross and follow  
Each and every day  
So I'm sold out for Jesus  
No matter what the way
