

Witness

©1998 Angel Records and Publishing

When the Holy Spirit has come upon you
You shall be witnesses of me
You will receive power from on high
You shall be witnesses of me
From right at home to the ends of the earth
You shall be witnesses of me

Be (Your) a witness of the way
Be (Your) a witness of the truth
Be (Your) a witness of the light
Lifting Jesus name up high

I'll send my Spirit, the Spirit of Truth
He will glorify me
He will guide you, into all truth
He will glorify me
He'll not speak alone, what He hears He will speak
He will glorify me

We must be filled, With the Spirit of Life
To glorify His name
Come to the waters, The waters of life
You will glorify His name
