

# His Love Never Fails

©2001 Angel Records and Publishing

Never leave your first love  
Never leave His care  
He is still your first love  
He is always there

Never leave your first love  
Never leave His care  
Give your love all to Him  
His love never fails

Cast down the idols of your soul  
Make no other gods before Him  
He's the one to make you whole  
Give Him all your life control

When your world is crashing  
If your heart is blue  
Lift your eyes to Jesus  
He will see you through
