

In My Weakness

©2001 Angel Records and Publishing

In this world there are trials and pain
Not a promise that I really want to claim
He works in all for those who love Him
And when its over, we're made more like Him

When He makes me strong
In my weakness
Then He makes me strong
His completeness
He's my strength and my fortress
All power's in Him
In my weakness I'm made strong

When the enemy comes in like a flood
A standard is raised by the Spirit of God
In all these things, for those who believe
We're more than conquerors through Him who
died for us

So now I can do, All things through Christ
For though I am weak I am strong
Exceeding great power is working within
There's nothing that's too hard for God
