My Jesus is Lord (4X)

When I walk through the valley
Of the shadow of death
I shall not be afraid no
I shall not fear

When I walk through the water
I shall not be drowned

When I pass through the fire
I shall not be burned

My God shall work together
All things for good

For those who are the called
According to His purpose

Death where is your victory?
Grave where is your sting?

The grave it could not hold Him down
Now my Lord is King

I shall not no never

Never be afraid

For my God is with me

I shall not fear
