

He's Alive

©2001 Angel Records and Publishing

I don't understand
Just why you are so down
Go ahead and check
But there's no one in the ground

For they crucified Him
Laid Him in the grave
But this ain't no funeral
He rose on the third day

And He's alive, alive
My Jesus is alive
Go ahead and look
He's right at the Father's side
And He's alive, alive
My Jesus is alive
To Him all power is given
And He's given us His life

So forget your rules
Lift up your hands
Or even dance
I know you can

Not a religion
But Jesus himself
Coming in glory
As we lift up a shout
