

Just Buying Time

You can look
Into their faces
You can look
(4X)

Each one values himself so high
They say they have all the answers
But you can tell if you look in their eyes
They're ... Just Buying Time (2X)

Evolution, No prayer in schools
Forgetting all of the golden rules
Where do they rest? No happiness
Just Buying Time (2X)

Jesus, He can open your eyes
He is the truth in this world of lies
Look up to Him and ask Him inside
You won't be... Just Buying Time (2X)

How can I tell you? How can you see?
All the good things He's done for me
Reach your heart out and you won't be
Just Buying Time (2X)
