

Mighty Rushing Wind

©2001 Angel Records and Publishing

In the first days, John baptized with water
In the last days, One mightier has come
He baptizes with the Holy Spirit
He baptizes with fire
And He can change your life

In the last days, I'll pour my Spirit on all flesh
In the last days, Sons and daughters shall prophesy
Young men shall see visions
Old men will dream dreams
When I pour my Spirit out

Like a mighty rushing wind
Like a flame of fire inside
The Holy Spirit dwells within
And fills with power from on high

In one accord, Altogether in one place
In one accord, A sound from heaven filled the house
They were filled with the Holy Spirit
They will filled with fire
With tongues they all began to speak

Repent and be baptized in the name of Jesus Christ
And you shall receive His Holy Spirit
This promise is for you and for all generations
As many as the Lord our God shall call
