

Rhinestone

©2001 Angel Records and Publishing

All their glamour, Its not real, Just a rhinestone to see
Trusting in man, And the pleasures of life
Just a rhinestone you see
Hiding behind, The glittering wall, A reflection you see
No inner beauty, Nothing inside, An emptyness to hide

Their life's a rhinestone, It has no value
Its just a rhinestone, Made up to be
Something it isn't, With no direction
With no real purpose, With no real aim
Their life's a rhinestone, It has no value
Its just a rhinestone, Thats all you see

All your glamour, Is it real?, Or just a rhinestone to see?
Whats your purpose? Whats your aim?
Do you know the way?
You can have, A jewel inside
Your light shining bright
There is an answer, There is as way
And Jesus is the light

Not a rhinestone, But with real value
Not a rhinestone, Something to see
Not a rhinestone, But with direction
And with real purpose, You'll know His name
You'll be His treasure, You're life important
You have eternity, For you to gain
Not a rhinestone, Not a rhinestone, Not a rhinestone,
You'll have no shame
Not a rhinestone, Not a rhinestone, Not a rhinestone,
His life to gain
Not a rhinestone, Not a rhinestone, Not a rhinestone,
You'll know His name
Not a rhinestone!
