He is Holy
He is Holy
He is Holy
He is Holy Holy God

He is Holy
 Can't no sin stand in his presence
He is Holy
 Can't no pride stand in his presence
He is Holy
 Your own way won't stand in his presence
He is Holy Holy God

Calling evil good and good evil,
Making our own right
Doing what we think is good,
In our own sight
But God is holy and his word is true,
There's no compromise
Stand upon the word of God,
Will you do what's right?

Come out from them and be holy,
Turn away from sin
Renew your mind purify your thoughts,
Turn your heart to him
Liars cheaters fornicators,
He won't let them in
Give your heart and mind to Jesus,
Will you be like him?

If we confess our sin
He is faithful and just
To forgive our sin
Give us righteousness
