

Signs All Around Me

Words and Music by Joseph

I see the signs all around me
I hear the rumors of war
I feel the poison wind blowin'
I see the hearts growin' cold
The time is so near, Don't you know that its near, When
Jesus will come

Nation will rise against nation
Earthquakes and famines and more
And all men they will hate you
Many will fall by the sword
But(Yes) you watch and pray, And He'll take you away,
Escape what's to come

I tell you now, That you must repent or you'll perish
You use the soil, And you must bear fruit or you'll perish

I know the sun will be darkened
The moon will not give its light
The stars will fall from the heavens
The powers of heaven will shake
Then Jesus will come, In a cloud He will come, In glory
and power
