

Who Is This Man?

(Joseph)

Who is this man who comes from Galilee?
Who makes the lame to walk, blind to see
Who raised Lazarus from the dead
Who fed thousands with a few loaves of bread

He is my savior, He died for me,
He is my savior, He set me free

Who is this man you spoke to the storm
The raging waves they all became calm
He even walked upon the sea
And now all men can be free

Who is this man who died on a cross
Three days in the grave all seemed lost
But then He rose up from the grave
And through His blood now we all can be saved

Soon we will see Him as He is
Coming in power and glory
With the sound of the trumpet
And with his mighty sword
Reigning in majesty
