

Do You Remember?

©2007 Angel Records and Publishing

Shopping and toys, Hustle and noise
Doorbells and sleigh bells and more
Santa and elves, Packed storewide shelves
Holiday specials on ice
Decorations and lights, Shining at nights
Sitting in front of the fire
Pies cakes and cookies, All kinds of goodies
Children's eyes bright with delight

Do you remember, Christmas morn?
Do you remember, a Child was born?
Do you remember, Christmas morn?
Do you remember, What He lived for?

Cooking and smells, Ringing church bells
Wrapping kids presents at night
Travel to family, Have over friends
Carolers singing so bright
Families together, Brisk winter weather
Long distance calls say hello
Christmas cards and letters, Gifts like new sweaters
All kinds of things that are nice

Take time to worship
Take time to seek
Be like the wise men
Lay gifts at His feet
Take time to worship
Take time to seek
With all your heart

Jesus you'll meet
