

Jesus for Christmas

©2007 Angel Records and Publishing

What do you want for Christmas?
How 'bout some new blue jeans?
A pair of earrings, or a watch? What is your dream?

What do you want for Christmas?
A new bike or maybe a ball?
A pair of mittens? Is it something great or small?

(But) as for me just give me Jesus
He's everything I need
I give all my life to Jesus
All my hopes and all my dreams
For without Him its not Christmas,
Without Him there's no meaning
(So) give me Jesus for Christmas, Jesus for Christmas
(Give me) Jesus for Christmas
He's everything I need

What do you want for Christmas?
How 'bout peace on earth?
For all the wars to end, Or something of great worth?

In Jesus there is peace, In Jesus there is joy
All of this is found, In this one baby boy
We celebrate at Christmas
And need the whole year round
God gave the gift of Jesus, The very best gift around
