

Jesus is the Reason

You're trying to be happy, The TV says it all
Sales and "gotta have its", Get you to the mall
People all around you, Rushing to and fro
They hurry all around you, It gets you in the flow
but...

Jesus is the reason for the season
Jesus is the One we celebrate
Jesus is the reason for the season
Jesus love is all it really takes

And though you spend your money
And presents they abound
The joy that you've been missing
Is nowhere to be found
Or maybe you've been lonely
Though family's all around
The love that you've been needing
Once again has let you down ... but...

Reach your heart to Him
Its time to let Him in
Give it all to Jesus
He's taken all your sin
And you will find Him there
With love and joy to spare
And you will end your searching
He'll always be right there ... for...
