

Messiah the Savior has Come

©2007 Angel Records and Publishing

The prophets foretold He was coming
The angels announced He had come
Singing glory to God in the highest
Announcing the birth of God's Son

Shepherds left flocks in the fields
And wise men they followed a star
They came to see a new baby
Coming from near and from far

His name is
Jesus, Jesus
Messiah the Savior has come
Jesus, Jesus
Let's worship Him all everyone

Now we hear carolers singing
Christmas music fills the air
As the world stops to exalt Him
The presence of God, He is there

As you shop for your presents
As you go on your way
Remember Christ our Savior
Was born upon this day
