

Not About

©2007 Angel Records and Publishing

It's not about eight reindeer or a Santa Claus
Not about the presents or the shopping malls
Not about a snowman on a wintry day
Or riding on a one horse open sleigh

It's not about the visits from your family
It's not about the singing or the Christmas tree
It's not about receiving what your heart desires
Or chestnut roasting on an open fire

It's all about my Lord Christ Jesus
And His birth on Christmas day
About the angels singing
And the wise men on their way
About the Lord's salvation
And He's coming back someday
That's what we celebrate on Christmas day

It's not about religion or a Christmas play
It's not about your children or the games they play
It's not about your travel or the family meal
Or after Christmas shopping for the deals

Peace on earth, good will to men
A shining angel said to them
Peace on earth, good will to men
You'll find Him there in Bethlehem
