

They Saw a Star

©2007 Angel Records and Publishing

They saw a star in the east, Way off a far
It rose in the east, Told them the King was born
They saw a star in the east. Way off a far
It rose to bring the news
Jesus Christ is born in Bethlehem

They chose to follow, They chose to seek Him
Truly they were wise men, Truly they were Kings
They came to seek the Savior, Give Him everything

They came to worship, They came to bow down
They came and brought Him gifts,
The best that they could bring
Gold and frankincense, And myrrh for the King

After they saw Him, Nothing was quite the same
They had a new dream, They left a new way
They had a new dream, It was a new day

You can be a wise man, You can be a King
Give your life to Jesus, Give Him everything
Then you'll be a wise man, Then you'll be a King
You will leave a new way, It'll be a new day
