

# What Can I Give You Today?

©2007 Angel Records and Publishing

Lord it's your birthday, There's gifts all around  
Give one another today  
Christmas presents, And lights all around  
A star on top the tree

Lord it's your birthday, And I want to give  
A gift to You today  
Lord I have nothing, That You didn't give to me  
Your life upon a tree

What can I give you today Lord?  
What can I give you today?  
What can I give you today Lord Jesus?  
What can I give you today?

Your throne is higher than the stars in the sky  
You're clothed in glory, Your light shining  
bright

All that I see, You said "Let there be"  
What can I give You from me?

Lord it's your birthday, There's gifts all around  
Give one another today  
Lord it's your birthday, And I want to give  
A gift to You today
