Wise men, Still seek Him (3X)  
Wise men

The shepherd they were out in the field  
Watching their flocks by night  
And unto them an angel appeared  
The glory of God for light  
Good news I bring the Savior is born  
In nearby Bethlehem  
You'll find Him there, He is Christ the Lord  
Peace on earth, Good will to men

Let us go now and see this thing  
The Lord has made known to us  
So they went down to seek the King  
Known as God with us

Wise men came from the east from far  
To see the newborn King  
They saw his star and followed it  
Didn't want to miss this thing  
They gave Him gold incense and myrrh  
All their treasures did they bring  
Another way did they depart  
After worshipping the King

You can come now and know this thing  
The Lord has made known to us  
You can come now and seek the King  
The Living One, God with us
