

Close Encounter

©2024 Angel Records and Publishing

So you think you see an alien, but He looks like
you

He took upon your shape, Then He died for you
Ascended into heaven, Sent His Spirit to you

It's a close encounter, of the Holy Ghost kind
It's a close encounter, it'll blow your mind
It's a close encounter, the supernatural kind

He came down from above, Cause of God's great
love

Fills us with His Spirit, Fills us with His love
It's the Holy Ghost power, It's the Holy Ghost
thing

You're a new creation, Made from above
You're a new creation, Filled with God's love
Your home it is in heaven, Seated with the Judge

Do you want peace?
Do you want joy?
Do you want power?
Invite the Spirit inside
