

Happy Endings

All my sad stories, Have happy endings
All of my sadness gone away
All my sad stories, Have happy endings
Because He rose up from the grave

And now I praise my Lord every day
And now I worship Him and I pray
And so I praise my Lord every day
Because He rose up from the grave

We got a message about Lazarus
He was sick and dying and in need of us
But Jesus acted like He didn't care,
We knew it was bad, But we just stayed there
When we finally arrived, He'd been dead four days
But Jesus said "Roll the stone away",
Though the smell was bad we had to say
He stunned us all, When we heard Him say
Lazarus, come forth (3X)
Come Forth, And he did

We just got off of the boat you see
When Jairus came to Jesus to plead
Come heal my daughter Now please don't wait
Please hurry quick, Or it'll be too late
A woman in the crowd touched His hem
She got healed and distracted Him
As the little girl's life just slipped away
He said "Just believe", then we heard Him say
Little girl, get up (3X)
Get up, And she did....

On Friday night, Things were looking bad
Saturday wasn't better, We were scared and rather sad
Yes Friday night, Things were really bad
But on Sunday Jesus rose up from the grave
