

## **Machine Gun Sally**

© 2024 Angel Records and Publishing

She has the sword of the Spirit in her hand  
Her armor on, She boldly takes a stand  
She overcomes by the blood of the Lamb  
Her testimony is heard throughout the land

She is Machine Gun Sally  
Taking down the enemy  
Machine Gun Sally  
The devil has to flee  
Machine Gun Sally  
She prays for you and me  
Machine Gun Sally

She's not wrestling flesh and blood  
Jesus name authority  
When like a flood the enemy  
God's Spirit sets us free

Submit to God, Resist the devil, And He will flee  
Submit to God, Resist the devil, And He will flee  
Submit to God, Resist the devil, And He will flee  
Submit to God, Resist the devil, And He will flee  
He will flee  
He will flee
