

We Stand

© 2024 Angel Records and Publishing

We stand, with the belt of truth
We stand, in righteousness
We stand, in the peace of God
We stand, We stand

We stand, with the shield of faith
We stand, in our salvation
We stand, with the sword of the word
We stand, We stand

Jesus Christ the cornerstone
Jesus Christ the holy one
Jesus it is in him that we stand

We stand, in the power of God
We stand, by the blood of Christ
We stand, in the Holy Place
We stand, We stand

We stand, by the grace of God
We stand, with our face like a flint
We stand, on the rock of Christ
We stand, We stand

Are you standing on the rock
Or are you standing on the sand
For when the storm is coming will you stand?
