

For You are Lord

©2021 Angel Records and Publishing

I was born to praise You
I was born to sing
I was born to love You
Your praises I bring

I was born to know You
I was born to bring
Worship to my Savior
You're my everything

For you are Lord
For you are King
You are my life
You're my everything
For you are Lord
And you are my King
Jesus my Savior
You're my everything

I was born to glorify
My Lord and my king
I was born to worship you
With my everything

Jesus, I will magnify you name
Jesus, You who are always the same
Jesus, seated on your throne on high
It's you I glorify
