Great are you Lord
Great are you Lord
Great are you Lord
God Most High
(2X)

When my faith is down
And the mountains don't move
And it seems like the sun doesn't shine
I will lift my eyes
To the One seated high
The One who saves my soul
And I'll sing

When my dreams seem lost
And my hope is deferred
And it seems like the world's passed me by
I will lift my eyes
To the One seated high
The One who saves my soul
And I'll sing

Jesus, Savior of my soul
Jesus, The One who is from old
Jesus, Jesus
You're the One I magnify
Singing
