Not a God of just history
That you read about in your books
Not a God who's so far away
That He can't be touched with your hurts
He's a God of today \\
Not of yesterday / 2X

Ch) I Am the God of the living
Not of the dead
Of Abraham and Issac
He's just what He said
I Am, not I was, and I will be \\
I Am, not I was, yes I Am / 2x

Many years ago He died for you
But He saves you today
Remember that He rose again
And He's living today
He's a God of today \\
Not of yesterday / 2X

The miracles that Moses had
You can have too
No matter your Red Sea
He'll see you through
The same, yesterday today forever
Changing not, the same forever (To Ch)
