

Moth and Rust

You're preserving me for eternity
Where moth and rust don't destroy
Wipe my tears away, From another day
In the presence of the Lord

You're preserving me for eternity
By my side you'll always be
Keep my eyes on you
And you'll see me through
'Till the day you take me away

So don't consider the things of earth
Where moth and rust destroy
But lay up treasures in heaven
For great is your reward

Blessed are you who have suffered pain
And rejection for His name
Rejoice be glad, No don't be sad
For greater is your gain
