

Real Christian

I just want to be a real Christian
I just want to live for Him
I just want to be a real Christian
All I do is just for Him

It doesn't matter what the world may say
It doesn't matter I'll still walk your way
It doesn't matter what they think of me
For all I do is just for your glory... Oh

It doesn't matter I'm not playing church
It leaves you wanting and out in the lurch
When everyone is going with the flow
I'll swim upstream if that's where you want me to go... Oh

Do you want Jesus or the praise of men?
Live for the world or live your life for Him?
Do you want Jesus will you give it all?
Your life to Jesus will you answer his call?... Oh
