My (Our) God is a God of Power  
A God of Power and Might

Nothing is too hard for Him  
Though on Friday, Things looked so grim  
Nothing is too difficult for Him  
Remember Sunday, He rose again  
My (Our) God is a God of power  
A God of power and might

All authority in heaven and earth has been given to  
me

I give you power, over all the power of the enemy  
And nothing will by any means ever harm you  
Greater is He, that is living in you, than the enemy

The kingdom of heaven does not come with words  
alone

But with a demonstration of the Spirit's power  
The things I testify to they are true  
And you shall see His power
