

# **I've Got the Guts**

©2014 Angel Records and Publishing

I've got the guts  
To live for the Lord  
I've got the guts  
To stand on His word  
I've got the guts  
To do what is right  
I've got the guts  
To stand in His might

Darkness is covering the world all around  
Trying to cover you and take you down  
Peer pressure and lying machines  
Trying to steal your dreams

Jesus is calling for you to stand  
To join His army for victory's at hand  
So take His armor and live for the Lord  
Don't be afraid to use the sword

They who know their God  
Will stand strong  
Doing great things  
Shining like dawn  
They who know their God  
Will stand tall  
When all the world  
Is set to fall

Do you have guts  
To live for the Lord?  
Do you have guts  
To stand on His word?  
Do you have guts  
To do what is right?
