

If I

©2004 Angel Records and Publishing

I know, If I listen
I know, That You are there
I know, There'll be the answer
The answer to my prayers

And I know, If I follow
I know, You'll show the way
I know, You'll be there waiting
And I'll see your face someday

If I only knew for sure
What You're telling me
I could sort out Your
Truth from my thoughts
And You'd be all I'd see

And I know, If I'm lonely
You're always, Here with me
If I, Listen closely
Your answer's clear to me
