I'm gonna dance, Before the Lord, With all my might  
(4X)

King David danced before the Lord  
He danced with all his might  
King David danced before the Lord  
Though some didn't think it right  
But He knew God was worthy  
He know God was great  
He knew God deserved it  
All of our praise  
Yes He knew God was worthy  
He know God was great  
He knew God deserved it  
All of our praise

For my God is a great king  
His is worthy of all  
For my God is a great king  
And I give him my all  
For my God is a great king  
His is worthy of all  
For my God is a great king  
And I give him my all
