My message is Jesus (3x) My message is Him

Put it on your billboard, Lift His name high No other banner, Can say it just right He'll draw men to Him, When He's lifted high

Jesus is the answer, Jesus is why

Don't be distracted, Don't hide behind Denominations or doctrinal lines Don't lose your focus, Keep it on Him When He's lifted up, You'll always win

His name is above, Every other name No other name, is quite the same In heaven on earth, above or below Jesus is the One, You need to know
