

To Glorify Jesus

©1998 Angel Records and Publishing

I want my life to glorify Jesus
I want my life to glorify my Lord
I want my life to glorify Jesus
And all my life to be living just for Him

I want my words to glorify Jesus
I want my words to glorify my King
I want my words to glorify Jesus
And all my words to give honor unto Him

For He died for me, And He rose for me
Now He lives in me, And He's my victory
Jesus, The One and only One

I want my music to glorify Jesus
I want my music to give praise unto His name
I want my music to glorify Jesus
And all my music to sing of His mighty name

Glory and Honor and praise unto Him
All of my life to be living for Him
